Lunch hour at Rioux is simply crazy!

We push the boundaries at lightning speed to go
« Back to the future », immersing you in our universe:
a meal where you are the hero!

Let yourself be surprised by La Luncheonette, our
unmissable contemporary cuisine, famous for it's
unique flavors and limitless originality.

If you're not yourself when you're hungry, instead take
a seat aboard our old 1958 Chrysler DeSoto that sputters
and join Georgette at the Royal 24. Sporting her 'Teeny Bobber'
roller skates, she brings the jukebox of the good old days
to life while serving up dishes worthy of the first fast-food
chains of the 50s, cleverly revisited. Two inspiring formulas,
one faithful to our culinary heritage, celebrating our gourmet
journey, and the other evoking the famous Retro Diners
of the 'Grease' and 'Dirty Dancing' era.

Group of humans!

Life is too short, so enjoy it and have fun !
